

1- Quote the words in their original languages, Greek and Hebrew, for the following:

Life in the Spirit: _____
Life in the Soul: _____
Life in the Body: _____

2- Where is the life of the body? Support this statement with two verses from the Bible.

3- Is it correct to say that when the soul leaves the body, the body dies? Base your answer on the Bible.

4- Name the areas of the body and soul, as well as their attributes.

Body is made up of:	_____	Attributes:	_____
Soul is made up of:	1) _____	Attributes:	_____
	2) _____	Attributes:	_____
	3) _____	Attributes:	_____

5- What are the parts that make up our soul?

6- What is the will, and how does it manifest?

7- In which part of our soul does 'free will' reside? By which other parts is it influenced?

8- What are the windows of the soul? Why is it important to pay attention to what we see and hear?

9- What is the 'outer man'? And the 'spiritual man'? Quote relevant Bible passages.
