

BIBLICAL PANORAMA - Questionnaire

Test 22

1. We have seen that the whole of humanity has become corrupt, but Noah and his family have not. Why did God preserve Noah and his family in the flood?
2. List three interesting details about the flood as described in the Bible, along with the corresponding verses.
3. How did Noah manage to organize all the animals that entered the Ark?
4. How long did it take Noah and his family to build the Ark, and how long did the flood last?
5. What proof did Noah have that the waters had receded, allowing him to leave the Ark?
6. What was the first thing Noah did when he and his family left the Ark with the animals?
7. Why, up to this point in the story, can we conclude that humans and animals had no reason to fear each other? And why would they fear each other from now on?
8. In your own words, why did God command men to eat meat after the flood?
9. In Genesis chapter 9, God establishes a covenant with the whole of humanity. What were the terms of this covenant, and what was its visible sign?
